

THE BROTHERS RESERVE COLLECTION

The origin story of this project is rooted in a time when the Two Mountain team consisted only of the Brothers Rawn.

Blending a wine in those days consisted of Matt picking his favorite barrels and Patrick doing the same. Whichever barrels were on both lists made the cut. Simple as that. Too young and naïve to make it more complicated.

Today the Brothers Rawn still pick their favorite barrels, from their favorite blocks from their favorite estate vineyard sites. Aged a little longer. Loved a little more. No playbook. No 'market insights'. No annoying budget. No rules. What we want to make. How we want to make it.

We invite you to try our limited production line of the Brothers' favorites (when available).

2018 BROTHERS RESERVE CABERNET FRANC

YAKIMA VALLEY, WASHINGTON

Tasting Notes:

This is not your uncle's green bell pepper, obnoxiously herbaceous Cab Franc. This is Copeland Cab Franc—warm and rich and elegant. Sweet aromatics of peanut brittle and caramel with the slightest touch of anise hint at what's to come in the glass—turbinado sugar, bourbon and a muddled Luxardo cherry. Solid acid and a lingering finish make this perfect for those lively dinner party conversations that extend well past a reasonable bedtime.

Alcohol: 13.7%
Élevage: 36 months on 100% new French oak
Production: 42 cases
Varietal: 100% Cabernet Franc
Vineyards: Copeland Vineyard
